

REQUEST FOR DESIGN & BUILD PROPOSALS FOR INFILL DECK WORKS & LOW LEVEL PLATFORMS TO SPEIGHTSTOWN JETTY

Barbados Port Inc. invites Contractors with the requisite experience in the design and construction of marine works to submit design/build proposals to return the Speightstown Jetty to a functional state. Proposals must include preliminary engineering designs with estimates of cost for construction.

The main works required are to:

- i. Replace the original central timber deck with suitable wooden, composite or other appropriate decking;
- ii. Replace the low level platforms on the sides of the jetty with structures linked to the jetty in its current structural condition; and
- iii. Repair/upgrade the existing lighting system.

Both structures at (i) and (ii) must be designed to withstand the wave energy from 50-year return wave events emanating from hurricanes and North Atlantic storms.

Qualification Requirements:

Contractors must provide evidence of the following qualification requirements:

- a) an average annual construction turnover of at least Barbados dollars (BDS) \$ 2 500 000;
- b) a demonstrable cash flow of (BDS) \$500 000;
- c) experience as prime contractor in the construction of at least three (3) assignments of a nature, scope and complexity comparable to the proposed project activity within the last seven (7) years (to comply with this requirement, the works quoted should be at least 80% complete); and
- d) a list of qualifications and experience of management, supervisory and technical personnel that would provide the required principal trade services and available plant and equipment for the services required for the project.

Documents provided to interested Contractors will include:

- i. Topographic, bathymetric and wave data sourced from the Coastal Zone Management Unit
- ii. Original plans and sections drawings of the jetty

Copies of documents can be obtained from the cashier at Barbados Port Inc. on any working day from 0800 hrs to 1500 hrs for a price of \$50.00 each.

Procedure:

Proposals are to be submitted to Barbados Port Inc. Tenders & Procurement Committee by hand in a sealed envelope which must bear the words "**Design & Build Proposal For Infill Deck Works & Low Level Platforms To Speightstown Jetty**" and shall be addressed to:

**The Chairman
Tenders and Procurement Committee
Barbados Port Inc.
University Row
St. Michael**

Four (4) hard copies of the Proposal must be placed in the locked Tender Box located in the Reception Area of Barbados Port Inc. no later than **1600 hrs on Tuesday, 1st December 2020.**

For further information please email djeanmarie@barbadosport.com copied to katherley@barbadosport.com.

Notwithstanding the above, Barbados Port Inc. is not bound to accept the lowest or any bid.
