

**TENDER NOTICE**  
**SUPPLY OF STRADDLE CARRIERS FOR TERMINAL OPERATIONS**

Sealed tenders are invited from qualified suppliers, for the supply of the following equipment to be used in Terminal Operations at the Port of Bridgetown:

<b>Quantity</b>	<b>Description</b>	<b>General Requirements</b>
5	Twin-lift Hybrid Straddle Carriers	Must be complete for container handling with a 4-high stacking and 50-ton load capacity. Prime mover must be an energy efficient hybrid power train.

The equipment is required to replace an ageing fleet and must complement the Port's green initiatives aimed at energy efficiency and zero emissions.

Detailed technical specifications of the equipment required are contained in tender documents, which will be delivered via email on confirmation of electronic payment of Bds\$50.00.

Tenderers must submit the following in their bids:

- a. Copies of the company's Certificate and Articles of Incorporation, Certificate of Incumbency and Certificate of Good Standing.
- b. Specifications documents for the equipment being proposed for supply.
- c. Details of on-site commissioning, operator training, technical and service training on electrical and mechanical systems.

Tenders are to be submitted to Barbados Port Inc. Tenders and Procurement Committee by hand in a sealed envelope which must bear the words "**Supply of Straddle Carriers for Terminal Operations**" and shall be addressed to:

**The Chairman**  
**Tenders and Procurement Committee**

**Barbados Port Inc.  
Cube Blue  
Prescod Boulevard
