BARBADOS PORT INC.

INVITATION TO TENDER

FOR THE ESTABLISHMENT OF A CENTRAL CONTAINER EXAMINATION FACILITY (CCEF) AT THE SHALLOW DRAUGHT SHED

1 Barbados Port Inc. (BPI) is undertaking the renovation and conversion of the Shallow Draught Shed into a Central Container Examination Facility (CCEF). The project is intended to provide a dedicated facility for the examination of containerised cargo and forms part of BPI's ongoing initiatives to improve port infrastructure and operational efficiency. The CCEF will support the work of the relevant inspection and enforcement agencies by providing a suitable environment for cargo examination and facilitating better coordination of the inspection process.

The project will involve the renovation and adaptation of the existing shed to meet the functional requirements of the CCEF. The work will be undertaken within the operational environment of the Port of Bridgetown and will require careful planning and coordination to minimise disruption to port operations, maintain appropriate safety and security arrangements, and deliver a durable, fit-for-purpose facility.

2 Barbados Port Inc. is inviting suitably qualified contractors with proven experience to submit proposals for the renovation of the Shallow Draught Shed to establish a Central Container Examination Facility, at the Port of Bridgetown.

3 Details of the tender requirements, instructions, and all other relevant information may be obtained from:
https://gov-bb.bonfirehub.com/portal/?tab=openOpportunities

4 All Tenders must be submitted electronically via the Government of Barbados's e-Procurement portal. Vendors must first register on the portal

in order to submit their proposals. Detailed instructions for registration are available at https://procure.gov.bb/home

5 Any queries concerning the details provided in the tender documents should be submitted through the portal's messaging feature.

6 All Tenders must be accompanied by the completed Form of Tender, completed Bill of Quantities and all other required information.

7 All proposals should be uploaded to the Government of Barbados' e-procurement portal at https://gov-bb.bonfirehub.com/portal/?tab=openOpportunities no later than **11:30pm AST on Wednesday, November 4, 2026**.

8 No Tender will be considered unless it complies with the conditions set out in this Notice.

9 Tenderers are advised that a mandatory site visit will be conducted at the Shallow Draught Shed on October 21, 2026, at 10:00 a.m. Tenderers are required to meet at Cube Blue at 9:45 a.m. and should ask for Ms. Jill-Marie Squires, Assistant Manager, Business Development, upon arrival. Kindly visit our website at https://barbadosport.com/request-port-entry/ to request entry into the port for the site visit.

10 Barbados Port Inc. does not bind itself to accept the lowest or any tender.
